# COMPANY PROFILE

## MAHKOTA MAJU SDN BHD

---

SPECIALIZED IN OIL AND GAS  
CHEMICAL AND POWER INDUSTRY

ENSURING US TO GROW THROUGH  
SUSTAINABLE DEVELOPMENT

---

Revised: 12/08/2021 | ITMMSB

# COMPANY OVERVIEW

## ABOUT US

**MAHKOTA MAJU SDN BHD.** is established on 3rd November 2004 began her business operations as a respectable trading company positioning herself through strategic joint ventures, supplying products and services related to the Oil and Gas industry especially to Brunei Shell Petroleum Co. SDN. BHD and Brunei Liquefied Natural Gas SDN. BHD, (BLNG) as well as to Government Projects and industrial companies in Negara Brunei Darussalam.

With the acquisition of appointments as Sole Agents for a wide range of products applicable to the Oil and Gas market, MAHKOTA MAJU SDN. BHD. have successfully registered herself as a qualified "Approved Vendor" with Brunei Shell Petroleum Co. SDN. BHD.

We represent products ranging from mechanical equipment's, structural repairs as well as instrumentations and control equipment's / systems. MAHKOTA MAJU SDN. BHD. is locally owned company committed to provide the best service to our client.

## OUR PURPOSE

### **MISSION**

Our mission is to provide and sustain our clients' expectation with qualitative and quantitative service.

### **VISION**

Our aim is to be one of the top Oil & Gas Suppliers & Service providers in Brunei Darussalam.

### **VALUES**

We emphasis on these 4 values: Respect, Integrity, Systematic, and Excellence.

## OUR VALUES

### **Respect**

Respect individuals we interact with and the environment that we operate in (internally and externally) and committing to being responsible in all our actions.

### **Integrity**

Uphold high levels of personal and professional values in all business interactions and decisions.

### **Systematic**

Ensure deliverables are in the most effective and efficient approach providing the best quality.

### **Excellence**

Promote maximum growth for ourselves and our business through firm ambitions to achieve outstanding personal and business results.

## OUR ACCREDITATION

# TRAINING CENTER

## INTRODUCTION

MAHKOTA MAJU SDN.BHD training Centre are established in Brunei in 2014 with the primary objective to provide competence-based safety training to the oil & gas industry.

Our training facilities are fully equipped with comprehensive training equipment to simulate as close as possible the actual working environment under controlled condition. The simulated realistic environment is ideal for competence-based training and assessment.

Our facilitator and assessment team are industry practitioners who have many years of experience in their respective fields and are competent course leaders/assessors.

## AVAILABLE COURSES

BSP/BSJV APPROVED TRAINING					
Serial No.	Course Title	Course Code	Duration	PRE-REQUISITE	Validity
1.	Introduction to Lifting and Hoisting Operations	ILHO	1 day	N/A	N/A
2.	Rigger Level I	RL1	4 days	N/A	12 Months
3.	Competent Rigger (Rigger Level II)	RL2 (VOC)	1 day	Valid RL1 & Completed Work Experience Logbook	3 Years
4.	Banksman & Slinger (Level I)	BSL 1	3 days	N/A	12 Months
5.	Competent Banksman & Slinger (Level II)	BSL 2	1 day	Valid BSL1 & Completed Work Experience Logbook	3 Years
6.	Lift Planner Level I Training	LP 1	2 days	Valid RL2	12 Months
7.	Lift Planner Level II Competent Assessment	LP 2	1 day	Valid LP1 & Completed Work Experience Logbook	2 Years
8.	Loose Lifting Equipment Inspection	LLEI	3 days	N/A	N/A
9.	Competent Authorize Person (CAP) Level I Training	CAP 1	2 days	Valid LLEI	12 Months
10.	Competent Authorize Person (CAP) Level II Assessment	CAP 2	1 day	Valid CAP1 & Completed Work Experience Logbook	3 Years
11.	Appointed "Person in Charge" (PIC) Training	PIC	3 days	Valid LP 2	12 Months
12.	Appointed "Person in Charge" (PIC) Assessment	PIC (VOC)	2 days	Valid PIC	3 Years
13.	Mobile Crane Operator	MCO	3 days	Valid MCO License	3 Years
14.	Offshore Crane Operator Level I	OCO 1	5 days	N/A	12 Months
15.	Offshore Crane Operator Level II (Deck Lift Training)	OCO 2	1 day	Valid OCO1 & Completed Work Experience Logbook	12 Months
16.	Offshore Crane Operator Level II (Deck Lift) Competent Assessment	OCO 2	1 day	Valid OCO 1 & Completed Work Experience Logbook	2 Years
17.	Offshore Crane Operator Level III (Over side) Competent Assessment	OCO 3	1 day	Valid OCO 2 & Completed Work Experience Logbook	2 Years
18.	Overhead Bridge Crane Operator	OBCO	2 days	N/A	3 Years
19.	Articulating Crane Operator (HIAB)	HIAB	2 days	Valid Truck License & RL 2	3 Years
20.	Articulating Crane Operator (HIAB) – VOC	HIAB (VOC)	1	HIAB	
21.	Forklift Truck Operator Training	FTO	3 days	N/A	3 Years
22.	Forklift Truck Operator (VOC)	FTO (VOC)	1 day	Valid FTO	3 Years
23.	Telehandler Operator Course	THO	2 days	N/A	3 Years
24.	Excavator Operator Course	EXO	2 days	N/A	3 Years
25.	Manual Lifting Techniques	MLT	1 day	N/A	3 Years
26.	Loading and Lashing	LNL	1 day	N/A	3 Years
27.	Mobile Elevated Working Platform (MEWP)	MEWP	1 day	N/A	3 Years

# PRODUCTS

We are the appointed agent for the following products:

## ACCELTEAM

Corporate performance management, customer relationship management & business intelligent.

## ESTANIT GMBH

Estanit Cylinder Angle Valve

## MDG MOS SWEEPER

Oil Spill Response Equipment

## PDS SAFETY

Personal Protection equipment / Environment & Industrial Protection

## PUNCTURE SAFE

Puncture Prevention & Tyre Life Extender  
High / Medium / Low Speed Product & Cycles.

## AQUA-GUARD

Anti-corrosive and Rust Stabilizer  
Coating System

## WOLAR INDUSTRIAL

Ring Join Gasket / Straub Pipe Couplings

## MOKVELD VALVES

Control Valve, Choke Valve, Check Valve,  
Anti Surge Valve, HIPPS System & Etc.

## PARKER

Oil & Gas Filtration system example.  
Fuel Gas filter separator, fuel gas SKID

## PIPESAK

Engineered buoyancy control,  
pipeline support & pipeline

Tel: +673-3221228/9 | +673-3333529

Email: [training@mahkotamaju.com](mailto:training@mahkotamaju.com)

# PRODUCTS

## PROMETHEAN

Education Solutions Provider

## PROTEGA

Anti-Corrosive products & rust stabilizer coating system

## PUREPRO WATER CORP

Water Filter cartridge

## PYPLOK TUBE-MAC

Non-welded piping system

## ROTAREX FORECAST

Ceodeux S.A Cylinder Valves etc.

## R.STAHL

Switchboard & Electrical Material

## RUSTIBUS

Supply of equipment to de-scale and power Brush for ship decks, hatch covers, tank tops

## SUBSEA

Fitting & Flanges / Pipe / Plate

## TRENTON

Wax-Tape Anti-Corrosion Wrap System

## VESSELTECH ENGINEERING

Fabrication of pressure vessel, tanks, air receiver, vent, knock-outdrum, SKID & Etc.

**COMPANY PROFILE 18**

# SERVICES

1. Blasting & painting all kind of equipment
2. Complete oil spills and recovery solutions
3. Explosive proof Grinding & cutting tool
4. Fabrication & Machining all kinds of tools & equipment's
5. Pipeline pumping, cleaning, dewaxing, drying, dewatering, pre commission & commission
6. Provide tank cleaning, desludging, inspection & etc. in such vessels, crude tank, water tank & etc.
7. Lifting Hoisting & Manual Handling Training
8. On-line Wrapping & clamping of pipeline
9. Provision of Crane Services
10. Repair & Refurbishments of all kinds of Instrumentation Equipment's E.g. : Control Valves, Choke Valves, ESD Valves, HIPPS Valves, Actuators & etc.
11. Repair & Refurbishments of all kinds of Rotating Solution E.g. : pumps, turbines, compressors
12. Repair & Refurbishments of all kinds of Static Equipment E.g.: Ball Valves, Breather Valves, Safety / Pressure relief Valves etc.
13. System integrator, Software Developer, Business Intelligent consultancy Services
14. Valve Maintenance, DE sanding & Hydro Cyclone of well
15. 3D Mapping & Cleaning of crude oil, Slurry & Emulsion tanks

## SUMMARY

With these ventures in hand, we are confident that we positioned ourselves as one of the Best Local Company in Negara Brunei Darussalam. We position Health, Safety and Environment as our utmost priority in the execution of all of our business activities and transactions.

We are geared-up to face future challenges by exploring new ventures, which are in synergy to our business activities and aspirations.

We invite you therefore to join MAHKOTA MAJU SDN. BHD. hand-in-hand, in embarking on an exciting and challenging journey of development and growth.

# FUTURE PLANS

In order to increase MAHKOTA MAJU SDN. BHD. business quality, several strategic plans have been outlined. These strategies include the following:

1. To ensure that the Country's environment is clean & healthy, MAHKOTA MAJU SDN. BHD. gives very high PRIORITY to Health, Safety & Environment.
2. To become BRUNEI managed company.
3. To create job opportunities for Bruneians in the field of heavy businesses related to Oil & Gas Industry.
4. To train more Bruneians with specialized skills especially in the fields of Mechanical & Engineering.
5. To promote local businesses or entrepreneurs in diversifying the country's economy.
6. To provide high QUALITY, RELIABLE & EFFICIENT operations & maintenance services to the Brunei Shell Group of Companies.
7. To train & educate local staffs in the MAHKOTA MAJU SDN. BHD. on how important it is to keep the environment clean & healthy from pollution in executing our business operations related to heavy activities especially in Oil & Gas Sector.
8. To develop through the State land area for our very own business premises consisting of offices, workshop & warehouse to cater for our growing operational needs.

# MANAGEMENT HSE

## POLICY STATEMENT

It is the policy of MAHKOTA MAJU SDN. BHD. that all possible steps are taken to prevent accidents & injuries, and create a safe and healthy environment to every individual employee.

MAHKOTA MAJU SDN. BHD. is committed to:

1. Ensure that the legislation and statutory regulations for activities carried out in its operation are complied.
2. Ensure that the Health and Safety of all Company.
3. Employees within the operations are not compromised.
4. Instill personal interest and responsibility in Health, Safety and Environment in all Company employees.
5. Environment conservation.

MAHKOTA MAJU SDN. BHD. believes that a healthy & safe working environment is of greatest importance in all its operations & endeavors in order to prevent all accidents and injuries. The management promotes safety training & develops safety management to ensure that all employees acquire the necessary safety awareness.

## HSE GOAL ZERO RECOGNITION

*In recognition of MAHKOTA MAJU SDN. BHD (MMSB) Team on "Corrosion Coating" contract to:*

Goal Zero of 1004 days from start of contract till 1st June 2012. The goal zero days have been accumulated as of to date.

*In recognition of MAHKOTA MAJU SDN. BHD (MMSB) Team on "Strong Back Activity" contract to:*

Goal Zero of 1031 days from March 2012 to 27th December 2012. The goal zero days Have been accumulated as of to date.

# QUALITY

## POLICY STATEMENT

It is the policy of MAHKOTA MAJU SDN. BHD. to engage and establish herself as a leading Maintenance and Trading Contractor within Negara Brunei Darussalam.

It is MAHKOTA MAJU SDN. BHD. policy to always provide and continually improve the quality of Products and Quality of services to satisfy our client's need.

In pursuing this policy, MAHKOTA MAJU SDN. BHD. is committed to the following quality

1. Adopting excellence in everything we do.
2. Emphasis on Total Customer Service.
3. Strict compliance to all applicable standards and regulations in all our activities.
4. Optimizing costs through maximizing productivity.
5. Recognition of the total involvement and participation of the workforce.

# SUSTAINABLE DEVELOPMENT

## POLICY STATEMENT

To complement and enhance MAHKOTA MAJU SDN. BHD. existing Health, Safety and Environment policy statement, we further extend our commitment towards preservation of the ecological balance while maintaining our economic and social growth through our sustainable development policy statement.

## OUR MISSION

To achieve our business and economic goals while maintaining our commitments toward sustainable development by promoting the role of eco-efficiency, innovation and corporate social responsibility in all our business activities.

## MAJOR CLIENTS

Brunei Shell Petroleum

Brunei Liquefied Natural Gas

Sendirian Berhad

Brunei Methanol Company

Brunei Government  
Sectors / Departments

Total E & P Borneo B.V

Tel: +673-3221228/9 | +673-3333529
